New Life

1 Peter 1:3—*"Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead..."*

New life. That's what we see all around us during this time of year as the old vestiges of winter gives way to the budding promises of spring. Trees are regaining their leaves; flowers are blooming; and the air is teeming with the sounds of animals and insects that have laid dormant for the last several months. What an appropriate time of year to celebrate Christ's victory over death as we look forward to Easter! The very seasons testify to God's plan of redemption and renewal. They serve as a reminder that this world and everything in it is temporary. The winter days of our lives may be long and painful, but there is a promise of a coming day when those days are no longer. Or, as the popular song so eloquently expressed the Psalm—*"there may be pain in the night, but joy comes in the morning!"* In the busyness that comes with preparing for Easter weekend, let us never forget that our new life was made possible only by His resurrected life. May we strive to walk in that truth no matter what season of life in which we find ourselves.

In Christ,
 Anthony Gomez
