Our building project is now underway! We are beginning the process of transitioning to Worship Services taking place in the Fellowship Hall. The first Sunday that we will worship in the Fellowship Hall will be August 9. At that time, we will need all available white folding chairs to use for the worship space. These chairs will be removed from Sunday School rooms and replaced with other folding chairs. This is only **temporary**. We will return the chairs when we begin meeting in our remodeled Sanctuary. Thank you in advance for your patience and understanding during this transition. The results are going to be worth it!
